

Unpredictable

[BBMak](#)

How can I convince you that you're really not alone
And I know exactly what you're going through
Nothing is for certain, but there's one thing that I know
Never underestimate what love can do I want to show you
Even though there are no guarantees
Just let me hold you
Love can do most anything, if you just believe It can take you to the highest high
Make you sacrifice it all
Love is unpredictable
It can change your life forever
Or it may never hear your call
Love is unpredictable, oh yeah Na na na na na
Love is unpredictable We don't need to justify, we don't need to wait
All will be revealed to us in time
And if you intellectualize the meaning of this fate
You may never know what we could find Don't keep me waiting
Don't you keep me hanging on the line
I'm only saying
You won't know what love can do, if you never try It can take you to the highest high
Make you sacrifice it all
Love is unpredictable
It can change your life forever
Or it may never hear your call
Love is unpredictable Na na na na na
Love is unpredictable
Na na na na na
Love is unpredictable Don't you wanna see which way this love will go
It can take you to the highest high
Love is unpredictable
It can change your life forever
Love is unpredictable It can take you to the highest high
Make you sacrifice it all
Love is unpredictable
It can change your life forever
Or it may never hear your call
Love is unpredictable Na na na na na
Love is unpredictable
Na na na na na
Love is unpredictable

Na na na na na
Love is unpredictable
Na na na na na
Love is unpredictable
