

Sally Gal

Bob Dylan

Well, I'm gonna get you a Sally gal
I'm gonna get you a Sally gal
I'm gonna get you a Sally gal
I'm gonna get you a Sally gal I'm just one of them ramblin' men
Ramblin' since I don't know when
And here I come and I'm a-gone again
Sally says, "I got no end" I'm gonna get you a Sally gal
I'm gonna get you a Sally gal
I'm gonna get you a Sally gal
I'm gonna get you a Sally gal
