

Grateful for the Day

[Rickie Byars Beckwith](#)

Grateful for the day that brings the sunshine
Grateful for the love of life that is mine
Grateful for my life so glad to be here
Grateful for the life in all existence
Grateful for the day that brings new life
Grateful to remember whatâ€™s good and right
Love is powerful, our greatest miracle
Love is all there is and love can free us all
Grateful. I Yi Yi Yi Yi (several times)
Grateful for the day that brings the sunshine
Grateful for the love of life that is mine
Grateful for the day so glad to be here
Grateful for the life in all existence
Grateful for the day that brings new life
Grateful to remember whatâ€™s good and right
Love is powerful our greatest miracle
Love is all there is and love will free us all
Iâ€™m grateful. Grateful. Grateful.
I Yi Yi Yi Yi . I Yi Yi Yi Yi . I Yi Yi Yi Yi .

Iâ€™m grateful. I can hear the voices calling through the wilderness
Iâ€™m grateful. I see their beauty and know that they are there
Iâ€™m grateful. I can sing a song of freedom and answer the call
Iâ€™m grateful. The create I can create a world of kindness for one and all
Iâ€™m grateful for the rain that washes the earth and clears the air
Iâ€™m grateful for the heart that sees and the hearts that cares
Iâ€™m grateful for the way that love rises from my soul
Iâ€™m grateful for the truth that would open a line that was closed
Iâ€™m grateful for the day that brings the sunshine
Iâ€™m grateful for the love of that right now is mine
I Yi Yi Yi Yi .
Iâ€™m

Grateful for the day that brings the sunshine
Grateful for the love of God that is mine
Grateful for my life so glad to be here
Grateful for the life in all existence
Grateful for love
Gratefulâ€¦I am.
Gratefulâ€¦just to be here
I Yi Yi Yi Yi .

Grateful
I Yi Yi Yi Yi .

Grateful
Be Grateful
Grateful
So very grateful
I be grateful
Grateful
Grateful
