

# The Letting Go

**Melissa Etheridge**

Advisory - the following lyrics contain explicit language:

I came here to let you know  
The letting go has taken place  
I have held the winter's son  
Become one set my paceIsn't that what we wanted all along  
Freedom like a stone, maybe we were wrongBut I can say goodbye  
Now that the passion's died  
Still it comes so slow  
The letting goPiece by piece I take apart  
This complicated heart and I hope to find  
Something I can prove is real  
I can feel is truth, I can say is mineThat's all I ever wanted to be  
The closer that I've got, the further I could seeBut when lovers change  
And the night feels strange  
We choose our road  
The letting goI came here to let you know  
The letting go has taken place
