

Good Morning Little Schoolgirl

Rod Stewart

Good morning little schoolgirl
Good morning little schoolgirl
Can I come home with, can I come home with you?
Tell your mama and your papa
I once was a schoolboy too Sometimes I don't know what
Sometimes I don't know what
What in the world, what in the world to do?
Oh I don't want to hurt your feelings
Or even get mad at you at all I'm gonna buy me an airplane
I'm gonna buy me an airplane
Fly right over, fly right over town
If I don't find my baby
Ain't gonna put my airplane down Come on little schoolgirl
Come on little schoolgirl
Can I come home with, can I come home with you?
Tell your mama and your papa
I once was a schoolboy too
