

Electric

Go Back to the Zoo

There is a song I wanna sing
I don't know where I'm to begin

She's got that song I wanna sing
She knows the words the melody

Oh Guinevere my sweetest thing
Give me your song, your sympathy

Oh I'm so electric

The palest skin, the golden hair,
You make me wild with your hungry stare

I kiss your breasts with mouths of flame
Get down and play, my lovers game

Gimme that song I wanna sing
I want it all want everything

Oh I'm so electric

I got this song and now I sing
Those dirty words those melodies
