

# Not Alright

## U.S. Bombs

so long as i dont gotta look at you so long as i dont think just like ya do i'm gonna be alrightso long as i itll be  
alright so long goodbye so long as i dont gotta talk to you so long as i dont think just like ya do dont take to  
many of the free ride i lost my freedom overnight i'm not alright and thats alright i'm not alright and thats  
alright i'm not alright and still raunchy inside
