Got to brave  
I got to keep my place in time  
The political scene  
Is buried in my head  
Got to be brave  
Bury my haste  
Got to be brave  
Bury my hate You wanna be heard  
So be absurd  
You wanna be crushed  
By a bus of love  
Surreal Got to be brave  
I got to keep my place in time  
The Political poets  
burst up in to fire  
Got to be brave  
Got to be brave  
Bury the hatchet  
Bury the hate You wanna be heard  
So be absurd  
You wanna express  
Go join a herd  
So take a chance  
Just be absurd  
I wanna be crushed  
By a bus of love  
Surreal.
