

Rebel Rock Me

The Pretenders

I'm as solid as a rock
Throw me at the powers that be
I'm as solid as a rock
Throw me at the powers that be
I'm as user friendly as a lead-filled glove
Rebel rock me

Hey!

I've got money in the bank
Come with me and you can have it for free
I've got money earning interest in the bank
Come with me and you can have it for free
I've got assets big as holes up in the sky
Rebel rock me

Hey!

I'm as heavy as a crowd in east l.a.
Fling me at the oppressor and flee

I'm as heavy as a crowd in east l.a.
Fling me at the oppressor and flee

I'm a seething burning moving mass of love
Rebel rock me

Hey!
