

Better To (feat DWNTWN)

Christian Rich

You never even cared, all the time that I was there

I was waiting

Break me outta this town boy

There's gotta be more than this

Isn't it better to run now than dream of what I missed?(If you keep this up, up,

up, up)You hold me underBreak me outta this town boy

There's gotta be more than this

Isn't it better to run now than dream of what I missed?

(If you keep this up, up)It's easy not to change

Why waste your life that way

I was waiting

You never even cared

All the time that I was there

I was waiting

You hold me under

(If you keep this up, up)Break me outta this town boy

There's gotta be more than this

Isn't it better to run now than dream of what I missed?
