Not Your Way

MisterWives

[Verse 1]
Over being told to be undressed to look our best
Everywhere my eyes though I figure is less, voice oppressed[Pre-Chorus]
Oh look how very far we have come
Cast up our weapons and prop up a gun[Chorus]
Now it's not your way, not your way
Not going to obey, to obey
This is my body, body
And you don't have a say, have a say
This is my own life, own life
Not growing up to be, a trophy wife
So don't parade us round, round we go
In your twisted way, now I'm saying no
No it's not your way, not your way
No, no, no, no! No, no, no![Verse 2]
Lower and lower our standards go
As your money grows
Fill us up with plastic and cut us up
And tie a bow[Pre-Chorus]
Oh look how very far we have come
Strip aside our wish disguise it like we have one[Chorus][Bridge]
Are we making ourselves clear
We're all the same under here
This is my disposition
Apologies for breaking up tradition
It takes two to tango
When were saying
...2 3[Chorus]
