## Method Man

M E T H O D man Hey you get off my cloud

Let me get raw with my southpaw style

Mover, puffin' on a fat blunt from Cuba

It's the Meth Tical jet to Cal, I'm the Buddha Monk on the hunt for machine gun foes

I keeps you open like a slug from the shotgun punk

Double-barrel, yeah Meth bring it to them proper

Partner, you ain't got no wins in Mi Casa Straight up, you movin' too fast so baby wait up

Took one, added seven more, now you eight up

Get on down wit' your bad self

Get on down, listen to the sound, come on Few can ever get this whole commit legit

See you all up in my, but you don't know

What's your definition of a real M C

From what you dedicated, hey it must be me Meth Tical, a lewd descendant of the loud hip hop

I go on to the break of dawn and just don't stop

Give me the green light and the sign one way

Have you had your left today Move it in, move it out, stick it in, pull it out

Shake it up, shake it down, come on down, Meth Tical

Oh I often pray that I will, but today I am still just a M E T H O D, Man

[Incomprehensible]

I break it down, I get down for my crowd

[Incomprehensible], dirty like a worm underground [Incomprehensible] early bird, that's my word

Before I kick the bucket, I'm a kick 'em to the dirt

Check out the cloud, smoke out from the mouth

Other brothers got mad love for new style for the hood Hey enter the square if you dare without a fro, I'm so raw  
that I'm real

I'm goin' to the country, I'm goin' to the fair

To see the Senorita, with flowers in her hair

And get mine, 'cuz she love me long time Bartender bring more wine Get in line for the
