

Ambition Is Critical

The Blackout

Call me what you want
Ask me what you will
We are doing this
For nothin' but the thrill This is all we know
This is all we need
I don't give a fuck
About how you feel I know you've waited every day
Let your jealousy fade
Or you won't see through your hate 'Cause where we are, what we've found
Is we don't need to wear your crown
I don't mind, if it takes time
Every mistake made was mine And I don't mind
Bring it back, yeah
Bring it, bring it back, yeah
I don't mind
Bring it back, yeah Gonna need more time
Just to make things right
We will bring you down
We are the dynamite Who the fuck are you?
This is the life I lead
Is it good being you?
It's fucking good being me I know you've waited every day
Let your jealousy fade
Or you won't see through your hate 'Cause where we are, what we've found
Is we don't need to wear your crown
I don't mind, if it takes time
Every mistake made was mine And I don't mind
Bring it back, yeah
Bring it, bring it back, yeah
I don't mind
Bring it back, yeah I don't mind
Bring it back, yeah
Bring it, bring it back, yeah
I don't mind
Bring it back, yeah Woah
Woo 'Cause where we are, what we've found
Is we don't need to wear your crown
I don't mind, if it takes time
Every mistake made was mine And I don't mind

Bring it back, yeah
Bring it, bring it back, yeah
I don't mind
Bring it back, yeah I don't mind
Bring it back, yeah
Bring it, bring it back, yeah
I don't mind
Bring it back, yeah Woah
