You Can Have Her

Charlie Rich

Well you can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stayYeah if you get her the wrong moment
There's only one thing that you can do
Just stay the whole night, jump right in
And put a crown right over youWell you can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stayThe girl I loved, she up and left me
She ran away with my best friend
Comes home at night just for one hour
When daylight comes she's a gone againWell you can have her, I don't want her
She didn't love me anyway
She only wanted someone to play with
But all I wanted was a love to stayLife without love is mighty empty
But confession is good for the soul
I'd rather have love that I can cling to
Than I had the world and all it's goldYou can have her
I don't want her
She didn't love me anyway
She only wanted
Someone to play withOohYou can have her
I don't want her
She didn't love me anyway
She only wanted
Someone to play with
But all I wanted
Was a love to stayYou can have her
I don't want her
She didn't love me anyway
She only wanted
Someone to play with
But all I wanted
