

How Come

Big Mama Thornton

How come you don't treat me good?
How come you ain't like you should?
How come you say I'm no good?
How come, baby, how come? How come you love me, oh baby?
How come you call me, oh baby?
How come you say you love me maybe?
How come, baby, how come? Maybe you found a new love
Maybe I'm just your too
But baby, I've got news for you
Ain't gonna be your fool
How come you keep me guessin'?
How come you don't do no confessin'?
How come, no love you expressin'?
How come, baby, how come? Oh yeah Maybe you found a new love
Maybe I'm just your too
But baby, I've got news for you
Ain't gonna be your fool
How come you keep me guessin'?
How come you don't do no confessin'?
How come, no love you expressin'?
How come, baby, how come? Oh baby, how come?
