

# Pop That Booty

## Marques Houston

Yeah, come on, here it is y'all  
One more time, JD, MH  
Yeah, 'So So Def' is in the building MH and Pi-Pi-Pied Piper  
MH and Pi-Pi-Pied Piper  
We get the girls so so hyper  
We make em' say da da da Rolled up to the party in a black Lex jeep  
Hop out the whip, I'm feelin' freaky  
All of the ladies come surround me  
'Cuz I'm so important like the H.N.I.C.  
This one girl she's makin' my body feel  
I'm up on hypnotic and ice cream So I stepped to her like I knew her  
Introduced her to Jacob The Jeweler  
Mame, won't you come take a ride with me?  
Be the girl of my fantasy  
But first won't you do one thing for me  
Baby, won't you come pop your booty for me? I love it when you move so sexy  
I love it when you all up on me  
But one thing that I have to see  
Is the way you pop that booty I love it when you move so sexy  
I love it when you all up on me  
Now girl take the floor and let's see  
Let me see you pop that booty MH and Pi-Pi-Pied Piper  
MH and Pi-Pi-Pied Piper  
We get the girls so so hyper  
We make em' say da da da Girl shake that, ah, like there's no rules  
I love the way you move in them high heel shoes  
So pop your booty like Beyonce  
Got me fallin' 'Crazy In Love', what you makin' me wanna say  
Uh oh, uh oh oh, uh oh oh  
Girl you're shaped like a Coke bottle  
So let me see you pop your thing full throttle I love it when you move so sexy  
I love it when you all up on me  
But one thing that I have to see  
Is the way you pop that booty I love it when you move so sexy  
I love it when you all up on me  
Now girl take the floor and let's see  
Let me see you pop that booty MH and Pi-Pi-Pied Piper

We make em' say da da da Yeah, I don't do too many 'Skinny of the Runway Frail'  
Thick with it's, how we like it in the A.T.L.  
Sick with it, pants low with a real wide load  
Soon as you hit the door, everybody was like, whoa  
I bet it's hard for you to go to the mall and buy clothes  
'Cuz your waist so little and your ass is like, whoa You poppin' that thing like a Luke video  
Mesmerized by the sound and the way the flutes blow  
Drink in my right hand, another in my left  
Crew right behind me screamin' 'So So Def' Now forgive me if I'm starin' but I gotta know one thing  
How the hell did you get all of that in them jeans?  
I'm behind you grindin', more than the clipse  
'Cuz I ain't ever seen nobody pop their booty like this  
I'm sayin', what you doin' is major  
The way you keep shakin', shakin', shakin'  
What your mama gave you Mame's dancin' all on me  
She's not wearin' any panties  
I love it when she call me Dada  
Right after she pop it like she from Jamaica I love it when you move so sexy  
I love it when you all up on me  
But one thing that I have to see  
Is the way you pop that booty I love it when you move so sexy  
I love it when you all up on me  
Now girl take the floor and let's see  
Let me see you pop that booty MH and Pi-Pi-Pied Piper
