

Queen For A Day(2)

Dance Hall Crashers

It's never gonna work out
Quite the way that they plan
Their little greasy games
They'll drop you just as son as they can pick you up
It might be fun for a while
What happens tomorrow?
I don't want to be no queen for a day
Oh, I got what you want and I may just walk away
I don't want to be no queen for a day
I just gotta get awayWonder why they think about
What they can get from me
I guess I'll let em believe
Whatever it is they want to see
I know it's sick
I hope it's only paranoiaI don't want to be no queen for a day
Oh, I got what you want and I may just walk away
I don't want to be no queen for a day
I just gotta get awayAdmit it's not all bad
It's almost like a real cheap high
Till you get knocked on your ass
Thinking you can fly
Suppose it's something that you learn before you die
