

She'll Never Be Me

Britney Spears

You know I'm one of a kind
Boy, what's this I see
Your girl, she looks just like me
Blond hair and dressed to a T You tell me how can this be
Does she know I was the one
Who used to turn you on
But you don't want to talk about it Well, you think you can find
Someone to fill my shoes
And you ask yourself why
She don't do the things I do And you can't deny
That everywhere you go
You see my face, hear my name
And it eats you up inside You know I'm one of a kind
There'll never be another me
Can't get me out of your mind
You're lost in your own fantasy And when you look in my eyes
Is it hard for you to realize
She'll never be me Why can't you see it, girl
Got no identity
Whenever he's touching you
He's really thinking of me Do you know I was the one
Who used to turn him on?
But you don't want to talk about it Well, you think you can find
Someone to fill my shoes
And you ask yourself why
She don't do the things I do And you can't deny
That everywhere you go
You see my face, hear my name
And it eats you up inside You know I'm one of a kind
There'll never be another me
Can't get me out of your mind
You're lost in your own fantasy And when you look in my eyes
Is it hard for you to realize
She'll never be me You know I'm one of a kind
There'll never be another me
Can't get me out of your mind
You're lost in your own fantasy And when you look in my eyes
Is it hard for you to realize

She'll never be me
