## Death

Advisory - the following lyrics contain explicit language:

With chainsaw in hand  
Your death I demand  
Slicing through your fat  
My awaited gore attack Manipulating lies  
Is your way of life  
Riding on cheap glory  
Your life is getting gory Watch you bleed to death  
Gasping for last breath  
Choking on your blood  
I shit onto your guts Sacrificial cunt  
I despise  
Sacrificial cunt  
No more lies Slabs of fat  
Lay on the ground  
Ram an axe  
Into your mound Time to pay the gruesome price  
A stupid cunt we sacrifice
