

# Transparent

## Stone Circle

Why canâ€™t I see right through you?  
Your crystal world is made of glass  
A pale reflection of the future  
It pays that homage to the past

Why canâ€™t I see right through you,  
When itâ€™s obvious to see?

Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)  
Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)

The cloak you wear it casts no shadow  
The mask you hide behind itâ€™s true  
Youâ€™re many faces in rotation  
Well is your mirror foolinâ€™ you? You?

So while you play with smoke and mirrors  
The walls you built cut out the light

Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)  
Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)  
Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)  
Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)

Youâ€™re soâ€™

I canâ€™t help you, no  
You canâ€™t be sure  
The path laid out before you  
Is yours to take alone  
Whoh..ohâ€™ohâ€™oh  
Is yours to take alone.

Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)  
Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)  
Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)  
Iâ€™canâ€™tâ€™seeâ€™youâ€™(youâ€™re so transparent)  
Whohâ€™ohâ€™ohâ€™oh  
Ohâ€™ohâ€™ohâ€™ohâ€™
