

# Lifting Shadows Off a Dream

## Dream Theater

He seems alone and silent  
Thoughts remain without an answer  
Afraid and uninvited  
He slowly drifts away Moved by desire and fear  
Breaking delicate wings Lifting shadows  
Off a dream once broken  
She can turn a drop of water  
Into an ocean As the rain is pouring down  
Tears of sorrow wash his mind  
Drifting with the current  
This stream of life flows on He seems alone and silent  
Waiting on his hands and knees  
The chill of winter's darkness  
Sits quietly Moved by desire and fear  
He takes a few steps away Lifting shadows  
Off a dream once broken  
She can turn a drop of water  
Into an ocean And she listens, oh  
Oh and she listens openly He pours his soul into the water  
Reflecting the mystery  
She carries him away  
And the winds die slowly And she listens openly  
Oh and she listens openly Lifting shadows  
Off a dream once broken  
She can turn a drop of water  
Into an ocean Lifting shadows off a dream  
Lifting shadows off a dream
