Detox ('96 Demo)

Strapping Young Lad

I've got a feeling
with the wrong people
and I can't control my thoughtsI wish that I could sleep
and just get this over with
...this is only high school bullshit...I just want to feelI was warned
absolutely numb
no good around people
everyone knows and watches mehow did I get here tonight?
what am I doing here?
how did I reach this state?
how did I lose my sight?I'm lost... I'm freezing
and everybody knows... everyone's watching...so here's all my hopes and aspirations
nothing but puke
god, I'm so lonely...I just want to feel
