

Better Than That

[Jerzee Monet](#)

Hello? Yo, look I need to talk to you
I need to talk to you because
Things just aren't working out
Yeah whatever, we still need to talk though
I'm better than that yo, feel me It's always don't call, I'll call you
Secret rendezvous you think you can fool me
Why I never met your friends never in public
And you wonder why you can't hit No more late night callin' me, no more meetin' up on the creep
Not your secret property, I'm better than that baby
No more two way pagin' me, 3 in the a.m. buggin' me
That's the way it's got to be, I'm better than that baby Did you think that you could play me
And think I'd stay no love I don't take that
Now you know I'm not the one don't respect me none
This right here is done, done no more No more late night callin' me, no more meetin' up on the creep
Not your secret property I'm better than that baby
No more two way pagin' me, 3 in the a.m. buggin' me
That's the way it's got to be, I'm better than that baby I deserve to be the one, I don't need to share your love
I don't deserve to be treated this way, oh no
No more baby, baby, baby, baby
This right here is done, no more baby No more late night callin' me, no more meetin' up on the creep
Not your secret property, I'm better than that baby
No more two way pagin' me, 3 in the a.m. buggin' me
That's the way it's got to be, I'm better than that baby No more late night callin' me, oh no, baby
No more meetin' up on the creep
No more two way pagin' me, oh no, baby
3 in the a.m. buggin' me, I'm better than that I'm better than that
I'm better than that
