Mostly Bad

Maggie Rose

You don't know any girls like me
I will show you crazy, wait and see
'Cause I wear stilettos with my jeans, chase whiskey with whiskey
Tonight I'm gonna get what I need and you can't stop me
I'm innocent outside, but I'm about to blow your mindI'm a little good, a little bad, the best and worst you've ever had
I'll lift you up, and knock you down, and have you begging from the ground
You can see my halo or my horns, so be warned
I'm a little good, a little bad, but mostly bad
I can be a saint if you want me to
But I will make a sinner out of you
'Cause I'm not about to wear that dress if it's not cut to impress
Tonight I'm gonna aim for the fence and you can't stop me
I'm innocent outside, but I'm about to blow your mindI'm a little good, a little bad, the best and worst you've ever had
I'll lift you up, and knock you down, I'll have you begging from the ground
You can see my halo or my horns, so be warned
I'm a little good, a little badTonight I'll be your angel, and you... you'll be my man
These wings will take us to heaven
But for now... I'll put you through hellI'm mostly bad
I'm mostly bad
I'm a little good, I'm a little bad, the best and worst you've ever had
I'll lift you up, and knock you down, and have you begging from the ground
You can see my halo or my horns, so be warned
I'm a little good, a little bad, but mostly badI'm mostly bad
