Solid Ground

Tom Keifer

Ever since I was a young man
I tried to find a place where I fit in
And every time I got to planting my feet
You know the dirt opened up and just swallowed meI got to keep movin'
When the world starts to crumbling down
Got to keep moving
Looking for solid groundI took a little short term shelter
In the arms of some helter skelter
Yeah she cut me down just to watch me bleed
Now I gotta get along with what's left of meI got to keep movin'
When the world starts to crumbling down
Got to keep moving
Looking for solid ground
I got to keep on movin' yea
You know I keep on movin'
I'm lookin' I'm lookin'
Got to get along get along with what's left of me
I need some shelter
I need some shelter
I'm still lookin' ah lookin'
Lookin' for solid ground
