## Black Eyed Peas

Lookie lookie lookie what I've got right here  
Nibble on my cookie, bet you want to dear  
Maybe if you're lucky you'll get a peep show  
Look but you can't touchie, ain't no touchie when I go  
Ta-ta-take it o-o-o-o-off  
Show me what you've got  
Show me what you've got  
Show-show me what you've got  
That girl right there, she wanna tease me  
But that girl right there, she gonna please me  
Oh yeah she fine, gotta be about a dime  
No less than a nine  
'Cause she blessed with a breast and a booty combined  
Oh yeah you hot girl, like a pack of hot sauce  
If you get too hot girl, go on, take that off  
'Cause there ain't nothing wrong, if you don't wanna have nothin' on  
Go ahead, go on, if you wanna be naked like the day you was born, girl  
I ain't got a problem  
(If you gon' take it off)  
I ain't got a problem  
(If you gon' break me on)  
I ain't got a problem, no I don't  
I ain't got a problem, no, no, no, no, no  
Lookie lookie lookie what I've got right here  
Nibble on my cookie, bet you want to dear  
Maybe if you're lucky you'll get a peep show  
Look but you can't touchie, ain't no touchie when I go  
Ta-ta-take it o-o-o-o-off  
That girl right there, she wanna

(Take it off)  
Oh, girl, you fine, you know you blow my mind  
Up in them jeans, they lookin' good from behind

And the way you walk, I wanna take 'em off  
I love the way you talk, I wanna take you home  
Hey, you see that girl right there? She's packin' cookies  
You see that boy right here? He wants some cookies  
Please let me know if I come off a little pushy  
Just let it go and take it off and shake your tooshie, girl  
I ain't got a problem  
(If you gon' shake it, girl)  
I ain't got a problem  
(If you get naked, girl)  
I ain't got a problem, no I don't  
I ain't got a problem, no, no, no, no, no  
Lookie lookie lookie what I've got right here  
Nibble on my cookie, bet you want to, dear  
Maybe if you're lucky, you'll get a peep show  
Look but you can't touchie, ain't no touchie when I go  
Ta-ta-take it o-o-o-o-off

Too hot, she's too hot  
Too hot for her top  
Too hot, she's too hot  
Too hot for her shirt  
Too hot for her skirt  
Too hot for her clothes  
Too hot for wardrobe  
So go just take it off  
Take it off, take it off  
Take it off, take it off

Ta-ta-take it o-o-o-o-off
