

# We Came to Dance (Single Version)

## Ultravox

We came to dance  
Making moves from a passion play  
The ties that bind us just slip awayWe came to dance  
The piper calls out a different rhyme  
He cracks the whip and we step in timeStanding as the parade goes passing by  
I hear a voice around me cry  
Like the sound of distant drums  
Rejected and alone, a heart without a homeAnd someone saidWe came to dance  
Making moves from a passion play  
The ties that bind us just slip awayWe came to dance  
The piper calls out a different rhyme  
He cracks the whip and we step in time  
We came to danceWaiting as the panic grips my hand  
Hearing prose from high command  
Like a million times before, no dignity or grace  
It's the prize and not the raceAnd someone saidWe came to dance  
Making moves from a passion play  
The ties that bind us just slip awayWe came to dance  
The piper calls out a different rhyme  
He cracks the whip and we step in time  
We came to danceWe came to dance  
Making moves from a passion play  
The ties that bind us just slip awayWe came to dance  
Making moves from a passion play  
The ties that bind us just slip awayWe came to dance  
The piper calls out a different rhyme  
He cracks the whip and we step in timeWe came to dance  
Making moves from a passion play  
The ties that bind us just slip awayWe came to dance  
The piper calls out a different rhyme  
He cracks the whip and we step in timeWe came to dance  
Making moves from a passion play  
The ties that bind us just slip awayWe came to dance  
The piper calls out a different rhyme  
He cracks the whip and we step in timeWe came to dance  
Making moves from a passion play
