

Just To Hold You Once Again

[Mariah Carey](#)

Do you know how it feels?
Lying here without you baby
You could never understand
What's happening to me So alone nothing's real
I just dream about you baby
And forever wonder why you
Had to break free Even though you're not my lover
Even though you're not my friend oh baby
I would give my all to have you here
Just to hold you once again It's so hard to believe
I don't have you right beside me
As I long to touch you
But you're out of my reach And my heart doesn't feel
It's so very cold inside me
Just a shadow of someone that
I used to be Even though you're not my lover baby
And even though you're not my friend no, no, no
I would give my all to have you here
Just to hold you once again You were the only one, only one
That I allowed inside my heart
Now I'm just holding on to something so far gone
Where did I go wrong? Even though you're not my lover baby
And even though you're not my friend no, no, no, no
I would give my all to have you here
Just to hold you once again, just to hold you once again
