Dogs Were Barking

Gogol Bordello

Dogs were barking, guests were parking And my wedding was about to start Dogs were barking, monkeys clapping Then I got up on table and I said

I'll meet you 10:45 on the Broadway Canal

In a disco-radical-transglobalComanja cooking up the original mixtura S ulitzy do ulitzy the brilliant bassuraMama, diaspora, papa v Gogol Bordello

Energija probuzdenija i ja

Dogs were barking, monkeys clapping

Bears were dancing and girls were cutting looseCops were lurking, kids were snarkling

Then her father came up to me and said

Vi bivali kogda nibud na vistavke sobak?

She was a 5-45, nashe delo tabakDa ja zge starij dobrij Opta-Hotza-Htzulo-Dzigit

Govorjat prosto bolnoi, ta nichego zhe ne bolit

Nasha mama, diaspora, papa v Gogol Bordello

Energija probuzhdenija i jaRemember things, things that are eternal

Remember things, you forgot those things

Nelzja ponjat, nelzja izmerit

Tolko brasat', i tolko vvisTo make it all even more crooked is impossibility of suicide

You pull the trigger, yet you are still standing

Just somewhere else, but with same dick in your handAnd the dogs were barking and the guests were parking

And the monkeys clapping and girls were cutting loose

Thinking 'bout things, things that are eternal

When her mother came up to me and saidDogs were barking, cops were lurking

And my dancing was about to start!

Monkeys clapping party

Davaj tovarisch, like tovarisch would I met a crazy dancer, a party tabashi

She held me by the hair I held her by the aass

Nananana, she was a crazy dancer

Nananana, she was a crazy dancerBaja kuka napade original mixtura

Z ulice do ulice to brilia bazhura

Beat fun cool feel extoura

Vyderzhit li vyderzhit aparatura!

NanananaAnd the dogs were barking and the guests were parking

And the monkeys clapping and girls were cutting loose

Thinking 'bout things, things that are eternal

When her mother came up to me and said

Dogs were barking
