Still Getting It

Foreign Beggars

Yeah, I'm here and still getting it
More food more love, still getting it
Beggar time, rap at night
Best, still getting it, getting it
Sign on the best, still getting it

Yeah, I'm here and still getting it
10 years deep and the same, still getting it
Beggar five, rapping like, thanks still getting it
Damn it, sign like the best, still getting it
(getting it) [x?]

Going ahead full speed in the lane still getting it

[..] [x2]

Yeah, I got part of the [..] eye
Oh we got part of our any guy
Many guys step but they're giving up on every track
Many guys wreck but they sweat and the rent is high (high)

I'm not very nice when I rhyme
When I bless mics to the [..] other night
We can stay fenced by the best car
Everything nice, but I hit them for a better life

[..] [x2]

And you know we're still rippin' it
Ten years on the stage, still wreckin' it
We're going on side, lock stock
Well your man are off sitting black stock still petting it
Best you raise up your game
Coming like snipers a wraith that can aim
Beggars might try but they can't keep pace
Going ahead full speed in the lane still getting it

Still getting it [x?]

Yeah, I'm here and still getting it

More food more love, still getting it
Beggar time, rap at night
Best, still getting it, getting it
Sign on the best, still getting it

Yeah, I'm here and still getting it
10 years deep and the same, still getting it
Beggar five, rapping like, thanks still getting it
Damn it, sign like the best, still getting it

Going ahead full speed in the lane still getting it

[..] [x2]

Yeah, I'm here and still getting it
More food more love, still getting it
Beggar time, rap at night
Best, still getting it, getting it
Sign on the best, still getting it
Yeah, I'm here and still getting it
10 years deep and the same, still getting it
Beggar five, rapping like, thanks still getting it
Damn it, sign like the best, still getting it
[x2]

Still getting it [x?]

Yeah
Foreign Beggars, Skrillex
[..]
Going deep on this one

Going ahead full speed in the lane still getting it
