

# Hurry! It's Lovely Up Here

**Barbra Streisand**

Hey buds below, up is where to grow  
Up with which below can't compare with  
Hurry, it's lovely up hereLife down a hole takes an awful toll  
What with not a soul there to share with  
Hurry, it's lovely up hereWake up, bestir yourself  
It's time that you disinter yourself  
You've got a spot to fill, a pot to fillAnd what a gift package of showers, sun and love  
You'll be met above everywhere with  
Fondled and sniffed by millions who drift by  
Life here is rosy if you're a posy  
Hurry, it's lovely hereClimb up geranium  
It can't be fun subterranean  
On the exterior, it's cheerierRSVP peonies, pollinate the breeze  
Make the queen of bees hot as brandy  
Come give at least a preview of EasterCome up and see the hoot we're giving  
Come up and see the grounds for living  
Come poke your head out, open up and spread out  
Hurry, it's lovely here
