You Can't Give Up On Love

Alan Jackson

You say your heart's been broken
And you just can't win
You say that you'll never love again
Let me tell you, friendYou can't give up on love
That's the one thing, we've got to keep going
'Cause it don't come easy and it's so hard to hold
You can't give up on loveLooked out my window, what did I see
It's another broken family
The kids are stayin' with mama at home
Daddy's livin' in a house all aloneBut you can't give up on love
That's the one thing, we've got to keep going
'Cause it don't come easy and it's so hard to hold
You can't give up on loveTroubled times make it hard to stay
So many lovers take the easy way
But don't go crazy, jump ship too soon
'Cause every day can't be a honeymoonOh, you can't give up on love
That's the one thing, we've got to keep going
'Cause it don't come easy and it's so hard to hold
You can't give up on loveNo, you can't give up on love
Oh, you can't give up on love
