Me Too

Adam Gregory

Do you feel your heart beating a million miles an hour?
Me too
Like we're being guided by some higher power
Me tooDo you kinda get the feeling, this feeling's so right
There must be a reason we're together tonight
Do you think it might be love we're falling into?
You do? Me tooDon't you wanna know where this emotion is going?
Me too
Wouldn't you hate to go through life never knowing?
Me tooIs it my imagination or is something so strong
Going on between us that it can't be wrong
Do you think you've got the heart to see this through?
You do? Me tooDo you think you've got the heart to see this through
I really wanna know baby, tell me the truth
Do you think it might be love we're falling into?
You do? You do? You do? Me too, me tooDo you feel your heart beating a million miles an hour?
Me too
Like we're being guided by some higher power?
Me tooSay you do, say you do, say you do
Say you do, say you do, say you do
Can you feel it? Baby, can you feel it?
Can you feel it, baby? Me too
