Advisory - the following lyrics contain explicit language:

You're at the start I get a kick in the arse
Then go in behind me and he grab's a pen
Look at the form this one is sure to win
Oh come on this ones sure to winThey're under orders I get my money in
They're off so I pull out a fag
It's five to one my life has just begun
Oh come on this ones sure to winGo on my son my life is win or lose
Go on my son I've got a right to choose
I wanna win
I don't wanna loseHe's at the back I light another fag
They're in the straight I'm getting in a state
He's moving up I give out a cheer
They tell me to shut up two left to runHe's right at the front looks like I'm nearly home
He comes alive boy he's speeding up
He's drawing away I'm shouting out hooray
I'm going out tonightGo on my son my life is win or lose
Go on my son I've got a right to choose
I wanna win
I don't wanna lose
