

Friend of Mine

DeWayne Woods

Whether come rain or shine - You are a friend of mine.
You stayed right by my side - You are a friend of mine.
Through all my ups and downs - You are a friend of mine.
You kept me on solid ground - You are a friend of mine.Listen,
Ain't nothing like a true friend - Oh yeah.
Somebody you can truly depend - Oh yeah.
When everybody walks away - Oh yeah.
I know that You will always stay - Oh yeah.Lord what made You love me so? - You are a friend of mine.
I don't think I'll ever know - You are a friend of mine.
It's like nothing I've felt before - You are a friend of mine.
And You make life worth living for - You are a friend of mine.
I got nothing like a true friend - Oh yeah.
Somebody you can truly depend - Oh yeah.
When everybody walks away - Oh yeah.
I know that You will always stay - Oh yeah.What a friend we have in Jesus - Jesus.
All our sins and griefs to bear - To bear.
What a privilege to carry - Carry.
Everything to God in Prayer - In Prayer.A friend
A man who laid down his life
For all of your sins and mine
A love beyond compare
If you've got Jesus
You've got a friendAin't nothing like a true friend - Oh yeah.
Somebody you can truly depend - Oh yeah.
When everybody walks away - Oh yeah.
I know that You will always stay - Oh yeah.
Nothing but the blood of Jesus - Jesus.
All of our sins to bear - To bear.
What a privilege to carry - Carry.
Everything to God in Prayer - In Prayer.Everything to God in Prayer - Oh yeah.
Everything to God in Prayer - Oh yeah.
Everything to God in Prayer - Oh yeah.
Everything to God in Prayer - Oh yeah.See what a friend we have in Jesus - Jesus.
Every burden you've got he'll bear - To bear.
What a privilege to carry - Carry.
Everything to God in Prayer - In Prayer.Ain't nothing like a true friend - Oh yeah.
Somebody you can truly depend - Oh yeah.
Everybody you've seen walkin away - Oh yeah.
Watch God, watch God stay - Oh yeah.This friend I'm talking about is Jesus - Jesus.

Every burden you've got he'll bear - To bear.

All you've got to do is carry - Carry.

Everything to God in Prayer - In Prayer. You are a friend of mine.
