Death Will Never Conquer

Coldplay

If sweet death should ever conquer me
Let me know, boys, let me know
If you hear him coming, won't you let me flee
Let me go, boys, let me go
One day, death is gonna conquer me
I'll be down where the waters flow
I hope sweet Heaven is a place for me
Let me know, boys, let me know
If sweet death should ever conquer me
Take me down to some place below
If you hear him coming, won't you set me free
Let me go, boys, let me go
If you hear him comin', won't you say for me
That I just don't want to go
