

# Hoody Season

## Styles P

Tie the strings tight cause the weather broke,  
Yeah money and guns, we go to get them both  
the spot with my hoody, on, Making sure I stay awake, blunt after blunt after blunt. So I stay afloat  
They say money talk, so it should of spoke.  
Mob nigga to the day I die, nigga to the oath.

Old rapper, new rapper, get smoked like the dutchie and the blue rapper.  
Thats the motherfucking engineer, a nigga harder than me then send them here.

I put the hoody on, pull the drawer strings  
Give it a second, you'll hear the 4 ring.  
And I dont mean the 4G cellphone  
Salute to the niggas that call a cell home.  
You know the Ghost A hold it down though,  
Hoody season put a coward on the ground though.

Keep it real g, and the hoody bleed  
Pop the shit off, cause its hoody season  
Hoody season nigga X 2  
Zip up pull over whatever.  
Keep it G, like the alphabet upper case,  
You a rat or a pig, stay the fuck away  
All I know is 4 kilos is a buck a day.  
Listen more than you talk, but fuck what a sucker say.

Police coming through then its tucked away  
If not, 3 words, duck or pay.  
Airshit, like the night people  
You can get it for the low, you know the right people.  
The day times cool but the nights evil.

Dream weed, white coke and white diesel  
Niggas all up in the mix, niggas used to have grams  
Now we all up in the bricks,  
Polo hoody and the Jordan hoody,  
Got it down town cocaine scoring hoody,  
Champion and the Nike hoody,  
A all black murder one likely hoody,  
im SP I got all types of hoodies,  
Even got a fly guy and Trife type of hoody  
Tru hoody Lou hoody Old and the New hoody  
Even got the shooters in the red and the blue hoodies!  
Keep it real g, any hoody bleed  
Pop the shit off, cause its hoody season

Hoody season nigga X 2
