Demonic Dimension (feat. Rockit)

Rockit Gaming

Let's make a deal cause,
The Devil is real son.
Fill up my cup and jump
into a demonic dimension.
Let's make a deal cause, (hey)
the devil is real son.
Fill up my cup and jump
into a demonic dimension.
Take me to the other side,
look into the devil's eyes.
Ooooohh
My cup is split not permanent.
Gamble with each other's lives.
Freedom what we were denied.
ooooohh
My soul permits not counterfeit.
Make a deal, so i can feel,
like i can survive.
Sin the wheel,
a soul to steal.
I'm outta of my mind.
Color me with agony,
my life is spilling by.
Feel the heat,
its hard to breathe.
I'm burning alive.
Time to cheat,
It's lookin' bleak.
The bosses arrive.
Color me with agony,
My life is spilling by.
Let's make a deal cause, (hey)
the devil is real son.
Fill up my cup and,
jump into a demonic dimension.
Order a tall one, (hey)
A drink with your meal, son.
Fill up my cup and,
jump into a demonic dimension.

Bound by blood,
my hands are tied.
Panic trikes i'm petrified.
oooooohh
My cup is split,
not permanent.
Risin' up from hell tonight.
Our insides are liquefied.
oooooohh
My soul permits,
not counterfeit.
Make a deal, so i can feel,
like i can survive.
Sin the wheel,
a soul to steal.
I'm outta of my mind.
Color me with agony,
My life is spilling by.
Let's make a deal cause, (hey)
the devil is real son.
Fill up my cup and,
jump into a demonic dimension.
Order a tall one, (hey)
A drink with your meal, son.
Fill up my cup and,
jump into a demonic dimension.
Make a deal, so i can feel,
like i can survive.
Sin the wheel,
a soul to steal.
I'm outta of my mind.
Color me with agony,
My life is spilling by.
Feel the heat,
its hard to breathe.
I'm burning alive.
Time to cheat,
It's lookin' bleak.
The bosses arrive.
Color me with agony,
My life is spilling by.
Let's make a deal cause, (hey)
the devil is real son.
Fill up my cup and,
jump into a demonic dimension.

Order a tall one, (hey)
A drink with your meal, son.
