# Slow Down

## Lil' O

[Chorus: Big Moe with Lil' O in parenthesis]
Girl I think I want to slow down cause your the one for me
(I'm tired of being a playa and a balla
Just gimme one bad bitch so I can spoil her)
And I'ma spoil ya girl, give ya all the world
Cause I can't forget about the thangs ya done for me
(I'm tired of being a playa and a balla
Just gimme one bad bitch so I can spoil her)

[Verse 1: Lil' O]
Four in the mornin and I'm chillin with my late night hype
I just hit but she ain't my type
she just another big bootie, nice tits, and a face that's right
that stay fly in some name brand tights
this gold digga don't love me, she wouldn't there when I was broke
if I fell shed disappear like smoke
I always ask why I even play myself messin round with these jokes
I gotta throwed lil mamma at home, I'm such a fool
and if you seen my gal playa you would know that I'm blessed
with a pretty face and beautiful breasts,
flat stomach, big bootie, bow legged thighs, runnin track legs,
and stay fly from her toes to her hair
plus I know that she loves me, been with me through thick and thin
when I was broke before I got me some ends
through all my in and out of jail, court cases, she a nigga best friend
but I always break her heart in the end, I need to chill cause...

[Chorus: Big Moe with Lil' O in parenthesis]
Girl I think I want to slow down cause your the one for me
(I'm tired of being a playa and a balla
Just gimme one bad bitch so I can spoil her)
And I'ma spoil ya girl, give ya all the world
Cause I can't forget about the thangs ya done for me
(I'm tired of being a playa and a balla
Just gimme one bad bitch so I can spoil her)

[Verse 2: Lil' O]
If I tell her jump she ain't gon trip and ask why...
she gon say anything for my king, how high?

I swear I can't recall her ever tellin me a lie
plus she always tell me baby, know I'm down til I die
my gift from the sky, boo I swear I can't believe it
through all our years together boo I know I never cheated
when I didn't have a penny, got me everything I needed
she got her own dough, college courses completed
the Bible I read it, cause she keep me up in church
the type of girl that keep you out of trouble, out of dirt
why you with me, I'm a thug and a flurt,
I'm always in these streets runnin round chasin skirts
but I think I'm growin up now knowing that I played myself
cause when I cheat on you I hate myself, say to myself
if you did it to me...how would I feel,
I think its time to be a man and keep it real, for real cause....

[Chorus: Big Moe with Lil' O in parenthesis]
Girl I think I want to slow down cause your the one for me
(I'm tired of being a playa and a balla
Just gimme one bad bitch so I can spoil her)
And I'ma spoil ya girl, give ya all the world
Cause I can't forget about the thangs ya done for me
(I'm tired of being a playa and a balla
Just gimme one bad bitch so I can spoil her)

[Verse 3: Lil' O]
You gon get a lot of ice, a lot cars, a lot of luxury
cause you didn't have to fuck with me
even though I was three time felon you still stuck with me
and when I tripped you put up with me
so I'm thinking that's its time I paid you back for what you did
I'm thinkin that its time I made you wife and gave you kids
I'm thinkin I should put you in a house on a hill
and I know I ain't a trick cause you deserve it cause you real
and baby I'ma treat you like a queen, wine and dine on marble floors
keep you in the mall so you can shine on these hoes
take you round the world, one day China, one day Rome,
be a better man so we can have a happy home
beautiful, brown skin, straight pearl white teeth
body smooth and soft smellin so sweet,
every time ya walk by in ya g-string ya put me in heat
you and some kids make my vision complete and that's for real cause...

[Chorus: Big Moe with Lil' O in parenthesis]
Girl I think I want to slow down cause your the one for me
(I'm tired of being a playa and a balla

Just gimme one bad bitch so I can spoil her)
And I'ma spoil ya girl, give ya all the world
Cause I can't forget about the thangs ya done for me
(I'm tired of being a playa and a balla
Just gimme one bad bitch so I can spoil her)

[Hook: Big Moe]
Anything that ya want I'll do it
Anything that ya need I'll do it
Anythang, I'll do it lady
Anything that ya want I'll do it
Anything that ya need I'll do it
Girl I think I want to slow down cause your the one for me
And I'ma spoil ya girl, give ya all the world
Cause I can't forget about the thangs ya done for me
