

I Will Go Sailing No More

[Randy Newman](#)

Out among the stars I sail, way beyond the moon
In my silver ship I sail, a dream that ended too soon
Now I know exactly who I am and what I'm here for
And I will go sailing no more All the things I thought I'd be, all the brave things I'd done
Vanished like a snowflake with the rising of the sun
Never more to sail my ship, where no man has gone before
And I will go sailing no more But no, it can't be true I could fly if I wanted to
Like a bird in the sky if I believe I can fly, why I'd fly
Clearly, I will go sailing, no more
