

# Who Needs Shelter

[Jason Mraz](#)

Good day sunlight, I'd like to say how truly bright you are  
You don't know me but I know you see  
You're my favorite star  
Follow you I will so let's get moving Who needs shelter when the mornings coming?  
Absolutely there's no one  
Who needs shelter from the sun?  
Not me, no not anyone By your clock the cock rooster crows  
Then off to work where everybody goes  
Slow, but eventually they get there They picking up the day shift back where all left off  
Confined and they pecking at relationships  
You know it's only a worthless piece of shit Who needs shelter when the mornings coming?  
Absolutely there's no one  
Who needs shelter from the sun?  
Not me, no not anyone I'd sleep it all away  
But the sun won't let me  
I'd miss those lovely days  
Of summer Good day sunlight  
I'd like to say how truly bright you are  
You don't know me but I know you see  
You're my favorite
