Just Call Me Hank

Hank Williams, Jr.

Over the hill, that's one place I won't go
Cause I still sell out everywhere, I don't do many shows
It's going to be loud and proud, and it's going to be real
It's the only way that I know how, cause when I sing I feel,Waylon is there with me, Troy and Ronnie too
God knows I thought I'd never shed the lovesick blues
Thanks to all the ladies that helped me
make it through the night
Yes I've been blessed and I've been left
Here to sing 'em for you rightDon't call me an icon, I don't care about the hall of fame
Just gonna live my life in my country boy kinda way
Yeah I know that lonesome whipper well, road the panamerican train
My name is Bocephus but I'm really proud
When someone just calls me HankDon't call me an icon, I don't care about the hall of fame
I'm just gonna live my life in our southern kinda way
Yeah I know that lonesome whipper well,
I road the Pan-American train
My name is Bocephus but I'm really proud
When someone just calls me Hank
