

# Honeybee

## Kubiks

There's been a murder  
In my kitchen  
I hit him hard  
I hit him fast  
I watched him die  
And for the life of me  
I'm still missing  
A good excuse  
Explanation  
A reason why  
Don't you cry for me  
In the penitentiary  
I did the crime  
I'll do my time  
And I'll be here  
For another 40 years  
Haunted by the buzz  
Stupid honeybee  
Although it hurt me  
I still know better  
I'm a killer  
It's a fact  
I can't deny  
And when the deputy  
Came a-looking  
He took me down

I did confess  
I did not lie  
Don't you cry for me  
In the penitentiary  
I did the crime  
I'll do my time  
And I'll be here  
For another 40 years  
Haunted by the buzz  
Stupid honeybee  
Oh honeybee  
Have mercy on me

On my knees I beg  
Honeybee  
You're torturing me  
This must be that honeybee's revenge  
Let's go!  
Don't you cry for me  
In the penitentiary  
I did the crime  
I'll do my time  
And I'll be here  
For another 40 years  
Haunted by the buzz  
Stupid honeybee
