

It Never Entered My Mind (From Higher and Higher)

The Supremes

I don't care if there's powder on my nose
I don't care if my hairdo is in place
I've lost the very meaning of repose
I never put a mud pack on my face Oh who would've thought that I walk in a daze now
I never go to shows at night
But just to matinee's now
I see the show and home I go Once I laughed when I heard you saying
That I'd be playing solitaire
Uneasy in my easy chair
It never entered my mind Once you told me I was mistaken
That I'd awaken with the sun
And order orange juice for one
It never entered my mind
You have what I lack myself
And now I even have to scratch my back myself Once you warned me that if you scorned me
I'd sing the maiden's prayer again
And wish that you were there again
To get into my hair again
It never entered my mind Once you warned me that if you scorned me
I'd sing the maiden's prayer again
And wish that you were there again
To get into my hair again
It never entered my mind
It never entered my mind
