Long Green

The Kingsmen

When the long green comes in
Have a party for all of my friends
Yeah, baby, yeah
Go for the neck
Yeah, baby, yeah
Oh yeah you bet
Razor blades, draw me a bath
Basta, basta, basta
Yeah, baby, yeah
Hung out to sweat
Yeah, baby, yeah
Oh yeah, you bet
When the long green comes in
Have a party for all of my friends
When the long green comes in
Have a party and I won't let you in
Yeah
