

# On My Own

Stellastarr\*

Well broken child,  
Don't be afraid.  
So many years,  
Your future hasn't been made.  
Someday you will understand,  
I wish I could hold your hand...But I'm doin the best that I can.  
Doin the best that I can.When the love-hate days  
Turned into years,  
Voices of her teardrops  
Whispered into my ear.  
She lives in a different room,  
Says I'm not in love with her...But I'm doin the best that I can.  
Doin the best that I can,  
On my own.In the fight for life,  
Who's gonna win?  
Millions of people trying to get away.  
You might be the last of mine  
I wish I could force a smile...But I'm doin the best that I can.  
Doin the best that I can  
On my own.  
On my own.  
On my own.  
On my own.And you know there's a feeling  
That a new day's on the rise.  
And it scares me in a way,  
But somehow I feel life.  
So don't tell me that you're leaving  
'cause I won't know what to say,  
When I'm going ahead with my plans.  
Yes, I'm going ahead with my plans.  
Do you realize that you have just  
Kissed, kissed, kissed  
It all away?  
'cause I was there when nobody cared  
If you lived or you died this day.  
Well now that you're back on your feet  
Oh, you don't even talk to me...But I'm doin the best that I can.  
Yes, I'm doin the best that I can  
On my own.

On my own.
