

# Wrong Turn

## Nordarr

And I'll wait here a while  
Just long enough to be sure  
That you didn't make a wrong turn  
And I'll wait long enough  
Maybe an hour or two  
Before I decide it wasn't me, it was you  
It wasn't me it was you  
And I would like you to know  
Although it seems sad to say  
This was only the worst hour of my day  
The worst hour of my day  
How long has it been on your mind?  
Do you think about it when we laugh?  
I think that it's a big mistake  
Because I think that we could make it last  
Even if it's just for a while  
I'll wait here for now  
Just long enough to be sure  
That you really wanna go through with this  
'Cause I don't really wanna go through with this  
Do you really wanna go through with this?
