

# When You're Looking Like That

## Westlife

When you're looking like that  
Yeah yeah  
She's a 5 foot 10 in catsuit and Bambi eyes  
Everybody's who's staring  
Wouldn't believe that this girl was mine  
I should have known I was wrong  
When I left her for a life in pity  
But they say you never miss the water until it's gone, yeah  
Guess I failed to love you  
And you're taking it out tonight  
How am I supposed to leave you now  
When you're looking like that?  
I can't believe what I just gave away  
Now I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that?  
She's all dressed up for glamor and rock and roll  
Wanna squeeze her real tight, get out of this place  
If only I could take control  
But she is out of my reach forever  
And just a week ago she lied next to me  
It's so ironic how I had to lose just to see  
That I failed to love you  
And you're taking it out tonight  
How am I supposed to leave you now  
When you're looking like that?  
I can't believe what I just gave away  
Now I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that?  
I don't wanna forget you  
I don't even wanna try  
How am I supposed to walk on by  
When you're looking like that?  
How am I supposed to leave you?

I can't believe what I just gave away  
'Cause I can't take it back, I'm lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that?  
How am I supposed to leave you now  
When you're looking like that?  
I can't believe what I just gave away  
Now I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that?  
How am I supposed to leave you now  
When you're looking like that?  
I can't believe what I just gave away  
Now I can't take it back  
I don't wanna get lost  
I don't wanna live my life without you  
How am I supposed to leave you now  
When you're looking like that?
