

Two Days

SYX

This all
Is gone in two daysMetamorphosize
And compromised our goals
So quiet is your
Next step through thisBURNED
Everything is gone in two daysSomething unstable
To gain peace of mind
Nothing
But emptySubside
AS I'M SURRENDERING
Crossing over
WHERE THEY CAN'T REACH ME
Pacified
AS IT'S SMOLDERINGALL STRUCTURES
who have foundations
even when
THEY'RE MADE UP OF SHIT
delayed on
motivation
accepting that
IT'S GONE IN TWO DAYSSacrificed as long as you hate
Neutralized
I'm wearing thing
Any
Chance that we have had
