Unkle Main Title Theme

Unkle

{There, there, there, there}
Put aside the everyday world and come with us
Into the realm of imagination
The middle ground between light and shadow
[Incomprehensible] U N K L E
Would've ordinarily unveiled themselves
As a guarantee of anonymity
But could include among other notable figures
DJ Shadow and James Lavelle
Keep on rockin', keep on rock, rock, rock, keep on rockin'
Keep, keep on rock, K L E, keep on, K L E
Keep on, L E, L E, rockin'
U N K L, U N K, U N K, U N K K L L E
It's the awesome eternal UNKLE word, word
Science fiction, science
Science fiction, science fiction
Science, science fict, bio-breaker
An adventure unlike anything on your planet
Keep on, keep on, keep on
Keep keep on rockin'
Keep on, keep on, keep on
Keep keep on rockin'
Keep on, U, keep on, N, keep on, K
Keep on, L, keep on, E
Keep on rockin', E
U N K L E
There were too many of us
We had access to too many, uh, too much money
Too much equipment
And little by little we went insane
Fiery the angels fell, burning with the fires of Orc
U N K L, U N K, U N K, U N K K L L E
A ticket to nothingness
UNKLE
